**CONCURRENT CLASSES:**

When classes are run concurrently, you are NOT required to enter all classes. You may enter only the class(es) you choose and will only earn points (towards show awards, state points and national points) in the class(es) you entered and paid an entry fee; i.e. if you entered a Pinto Solid Class running concurrent with a Paint SPB Class, you must enter and pay for both classes if you want to earn points for both the Pinto and Paint classes. National and show points will be reported and calculated using the number of horses entered in your breed class, not using the total number of horses in the concurrent class (see breed specific rules). Only enter breed classes that your horse has registration papers for. If you are entering concurrent cattle classes, you'll only work cattle one time (and pay one cattle fee for that class) but you'll pay entry fees for each of the classes entered that are running concurrently such as Paint and Pinto. Please ask if you have questions. **You CANNOT post enter a class.**

**CROSS ENTERING CLASSES:**

APHA, PtHA, ApHC and PHBA EXHIBITORS in breed approved classes may NOT show in walk/trot classes and walk/trot/lope (canter) classes at the same event. If showing in a breed association walk/trot class, EXHIBITOR cannot show in an APHA, PtHA, ApHC, All Breed or **4-H** walk/trot/lope (canter) class at this show. HORSE may be shown by another exhibitor in walk/trot/lope (canter) classes. The All Breed walk/trot classes are open to all exhibitors (except leadline exhibitors).

Youth may NOT cross enter leadline and walk/trot or walk/trot/lope (canter) classes.

Please consult your 2021 breed association rulebook for ranch class rules and the restrictions on cross entering other classes.
